If you are unfamiliar with Santa Catalina School, we suggest that you read the following paragraph before completing this form:

Santa Catalina School is an all-girls college preparatory boarding and day school in the Catholic tradition. Established in 1950, Santa Catalina enrolls students of varied faiths and diverse backgrounds. The School is located on the Monterey/Carmel Peninsula and resides on a 36-acre, Spanish-style

campus near Monterey Bay. The 300 students come from many states and several foreign countries, as well as the local area.

Class size averages 12-15 students. All students pursue a rigorous academic curriculum, various electives, and extracurricular activities including sports, drama, art, music, and community service. Santa Catalina seeks students with maturity, curiosity, and a willingness to assume increasing responsibility and independence. An ability to communicate comfortably and well with peers and adults is important in a community where students and faculty live closely together.
